

ANGEL E. FACTOR

Full-Stack Developer | UI/UX Designer

Plaridel, Bulacan | angel.e.factor@gmail.com | 09358856720

SUMMARY

I specialize in building scalable, modern web applications from the ground up. By combining design precision with full-stack engineering depth, I transform dense workflows into fluid user experiences.

TECHNICAL SKILLS

Languages: TypeScript, CSS, JavaScript, Python, Java, C#, SQL, Dart

Frameworks: React, Next.js 14, Flutter, Tailwind CSS, Supabase, Firebase, REST APIs

Design Tools: Figma, Adobe Photoshop, Canva, Krita, Procreate, Clip Studio Paint

AI Tools: VS Code, AI-Native IDEs, Claude, Gemini, Ollama, Kimi, Gemini/Antigravity

DevOps & Cloud: Git/GitHub, Vercel, Amazon Web Services (AWS), Microsoft Azure

WORK EXPERIENCE

Front-End Developer & UI/UX Designer (Intern) - 2026

Simeon Piston Madrid & Associates Law Firm - Philippines

- Engineered and deployed scalable web apps & landing pages (SP Madrid Dubai, Okpo AI, Convinced AI)
- Spearheaded end-to-end design initiatives, gamifying complex workflows to prototype in Figma

PROJECTS

Employee Engagement App (2026) - Next.js 14, React, TypeScript, Tailwind CSS, Figma

SP Madrid Dubai, Okpo AI & Convinced AI Websites (2026) - React, Next.js 14, Vercel

AI-Powered Color Analysis & AR Try-On App (2025) - Flutter, Dart, Supabase, ML Kit

Client-Based CRM System (2024) - HTML, CSS, JavaScript, Figma

EDUCATION

Bachelor of Science in Information Technology (Cum Laude) - 2022 to 2026

Systems Technology Institute (Malolos)

STEM Strand (With Honors) - Marcelo H. Del Pilar National High School (2020 to 2022)

CERTIFICATIONS

AI Ready ASEAN, IBM UI/UX Designer, Google Project Management, Google Security Risk Management, Cisco OS Support, Alison Cybersecurity, SAP S/4HANA, Oracle Java Fundamentals
